

ENVIRO CLUB

The motto of Enviro Club is “SAVE NATURE SAVE FUTURE”

Committee Members:

Dr (Mrs). T. VIMALA, Assistant Professor, Department of Plant Biology and Plant Biotechnology.

Ms. A MALLIGA, Assistant Professor, Department of Plant Biology and Plant Biotechnology.

Enviro club has been constituted in Quaid-e-Millath Government College for Women, Chennai as part of green initiatives of the college. The aim of Enviro Club is to involve students in protecting the environment and creating a Clean and Green Campus. Enviro Club will empower students to participate and take up meaningful environmental activities and projects. It is a forum through which students can reach out to promote sound environmental behaviour. It will encourage students to explore environmental concepts and actions beyond the confines of a syllabus or curriculum.

The Enviro Club was inaugurated on 19th of October 2012. Dr. H. Malleshappa, IFS. (Director, Dept. of Environment and Forest, T.N) Inaugurated the Club and presided over the function. Dr. Sultan Ahamed Ismail, Director, Dept. of Biotechnology, The New College, delivered the key note address. Saplings were planted on the campus by the chief guests, staff and students on the same day. Around 120 students registered for the year 2012-13. The club members created flower and vegetable gardens in the college campus.

2013-14

For the year 2013-14 around 170 students have registered their names for Enviro club. The campus was declared **Smoke free and Green campus**. Ms. Mythili (Programme Co-ordinator) delivered a lecture on "Coal vs Forest" on 7.1.2013

Awareness Programme on Electronic Waste Disposal Management was conducted on 03.1.2013. Mrs. Sathya, Programme Co-ordinator, ISHTA Foundation, interacted with the students and created awareness about e-waste disposal. Mr. Hareindren, Director-operations, ISHTA foundation delivered a speech on "We love to Recycle" 3.10.2013.

Short films were screened on e-waste disposal, vermin composting and on conservation of biodiversity.

CERTIFICATE OF ACKNOWLEDGEMENT

Respected Madam,

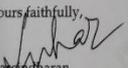

Sub: Awareness Programme on Electronic Waste Disposal Management Systems.-Reg

This refers to the above subject, we profusely thank you for having given us the permission to conduct the awareness programme to college Eco-Club students at your college on 3.10.2013 at 10:15 AM.

We are hopeful and confident that the students would have gained more informations on the subject matter and hope that they would put all the informations into practice. By doing so, we look forward to hear from you in this regard and would like to keep Bins at the college upon getting your permission to enable students to drop E-waste in the Bins and towards making this mission a reality at the local level to realize the impact.

We again request you to accord permission to conduct similar awareness programme in the coming months.

Thanking you,

Yours faithfully,

Hareindren
Director-Operations.
